"**My Struggle with Joseph Stalin**"; 'My Struggle With Joseph Stalin' is a first-hand account of the Berlin Airlift written by someone whose period of national service coincided with this extraordinary historical event.

"**Creeping up on Auckland**"; In late 1959, twelve people set out on a voyage halfway round the world, from England to New Zealand. It was not a sailing adventure but a commercial project. The boat was the *Aberdeen Anzac*, a seventy-foot North Sea trawler, and the plan was to make a good profit by selling her to the Wellington Fishermen's Cooperative. Perhaps unsurprisingly, it didn't quite work out like that. In this book, with the benefit of forty-five years' hindsight, C.A.
